The Cartel is a revelation.
- *The New York Post*

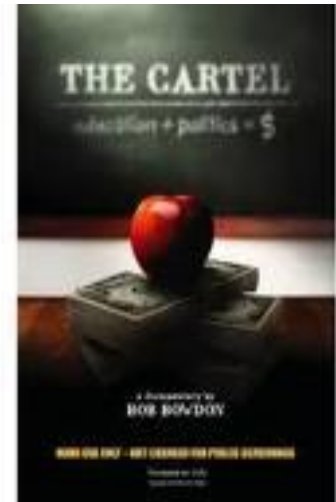

A brisk, incisive and mind-boggling – no other phrase will work – exposé
- *Los Angeles Times*

The Cartel...takes on the 'unconscionable failure' of New Jersey's public schools.
- *USA Today*

This is a movie you need to see.
- Joe Scarborough, *MSNBC's Morning Joe*

What Bowdon has brought to light so vividly...applies across the land.
- *Chicago Tribune*

This movie says it all, and is a must see for any American.
- *Philadelphia City Paper*
